

CERTIFICATE

of Conformity of the Factory Production Control 1922 - CPR - 0386

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction products

Products and systems for the protection and repair of concrete structures. Surface protection systems for concrete. Reinforcement corrosion protection

(For list of products, see Annex 1 to 1922 - CPR - 0386 that is an inseparable part of this certificate)

produced by the manufacturer

NEOTEX SA

V.Moira Str. 19600 Industrial Area Mandra, Greece

and produced in the manufacturing plant

NEOTEX SA

V. Moira Str. 19600 Industrial Area Mandra, Greece

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards

EN 1504-2:2004 and EN 1504-7:2006

under system 2+ were applied and the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 21.11.2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The certificate is supported through annual surveillance audit and is reissued after each surveillance audit This certificate should be reissued not later than 20.11.2015. The validity of this certificate can be verified in the CE register on www.dedal-bg.net.

Issued:
Nesebar, 21 November 2014

ANNEX I TO CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL 1922-CPR-0386 / 21.11.2014

List of Surface protection systems for concrete, acc. to EN 1504-2

No:	Product	Essential characteristics			
		Determination of liquid water permeability (EN 1062-3)	Measurement of bond strength by pull-off (EN 1542)	Determination of carbon dioxide permeability (EN 1062-6)	Determination of water-vapour transmission properties (EN ISO 7783-1)
1.	Neorooft	X	X	X	class I
2.	Neorooft 2K	X	X	X	class I
3.	Revinex Flex 2006	X	X	X	class II
4.	Neopress + Revinex	X	X	X	class I
5.	Fondaproof	X	X	X	class I
6.	Neoproof PU W	X	X	X	class I

List of Reinforcement corrosion protection, acc. to EN 1504-7

No:	Product	Essential characteristics		
		Corrosion protection test EN 15183	Shear adhesion of coated steel to concrete (pull-out test) EN 15184	Determination of glass transition temperatures of polymers EN 12614
1.	FERROREP	X	X	X
